VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Decision taken to increase the value of Lot 2 of the framework agreement by £4,700,000, given the high priority operational needs of NHS to procure these particular services at short notice during the current Covid-19 pandemic and beyond.

#### VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

These services are required to support NHS Trusts in response to Covid-19 and a need to increase the value of the procurement due to a during/post-COVID requirement has increased beyond any reasonable expectation at the time the agreement was awarded. The Covid-19 pandemic meets the conditions outlined under 72(1) (c) of PCR 2015, and it is under those conditions that a modification to the duration of the framework is proposed to be made. In making such a modification it is understood that NOE CPC would be required to send a notice to OJEU for publication outlined under 72(3) of PCR 2015.

#### VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £5,000,000

Total contract value after the modifications

Value excluding VAT: £9,700,000
