The Carer break service has been established since the mid 1990's and is a key strategic prevention service offered to carers within North Yorkshire. The current service provision is designed as an open access volunteer led carer 'sitting' service. The aims of the new Carer Break Service are broadly aligned with the current service specifications to support and sustain carers in their caring role and promote their health and wellbeing by providing a break from caring. It is clear from feedback that carers see 'Carers Break Services' as a valuable service for them to continue caring and contributes to well-being. The opportunity to volunteer for these services also gives meaningful activity to the volunteers who are often ex carers and can provide the benefit of their experience to current carers.

Precise information on deadline(s) for review procedures:

North Yorkshire Council shall in accordance with the Public Contracts (Amendment) Regulations 2015, incorporate a minimum 10 day standstill period commencing at the point that information on the intention to award the contract is sent to tenderers.

The Council shall, as soon as possible after the decision has been made, inform the tenderers and candidates of its decision, and shall do so by notice in writing by the most

Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages.
