II.1.4) Short description

Westward Housing Group (WHG) wish to establish a Framework of contractors covering a

broad range of building, mechanical, electrical, maintenance and related trades.

Framework

contractors will be required to carry out minor works and maintenance to WHG properties

as

and when required on a call-of basis, either by direct award, or via mini-competition. The

individual call-offs will be supplemental to and governed by the Framework Agreement

and

placed either by a works order generated by our housing management system, or using

the

JCT Minor Works 2016 form of contract.

WHG expect contractors to be flexible in their approach to the requirements in order to

minimise the need for an additional contractor to complete a piece of work. Contractors

shall however on no account perform tasks for which they are not qualified.

There is no requirement for you to have a certain level of turnover in order to submit a

tender.

We are hoping this will encourage SME's and Micro companies to work with us. WHG are

more interested in the quality of your work, that you are fully qualified and hold the right

certification to carry out the work.
