Maintenance of the Alerter refuge alarms. In line with regulations 32b(ii) and 32 (5) (b) the University have direct awarded this contract to the Alerter group.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The refuge system currently in use required statutory maintenance and for security can only be maintained by the manufacturer, the Alerter Group.

This is in line with Regulation 32 (2) (b) (ii) which states that contracting authorities may award public contract without prior publication when competition is absent for technical reasons.

In addition, this is also in line with 32 (5) (b) which states that extension of an existing contract is permitted where a change of supplier would result in incompatibility or disproportionate technical difficulties in operation and maintenance.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
