Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

River, Estuary and Coastal Resilient Infrastructure Testing Flume

Reference number

2022UoS-0617

II.1.2) Main CPV code

- 38420000 - Instruments for measuring flow, level and pressure of liquids and gases

II.1.3) Type of contract

Supplies

II.1.4) Short description

This purchase is for a River, Estuary and Coastal Resilient Infrastructure Testing Flume which is to be installed and commissioned into the University's Future Towns Innovation Hub flume laboratory.

The new flume will be used primarily for research purposes and secondarily for external users. The proposed equipment will support funded research areas in ecohydraulics, water engineering, hydraulic and coastal engineering, and marine energy.

II.1.5) Estimated total value

Value excluding VAT: £2,300,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ32 - Southampton

Main site or place of performance

Chilworth, Hampshire, UK

II.2.4) Description of the procurement

This purchase is for a River, Estuary and Coastal Resilient Infrastructure Testing Flume which is to be installed and commissioned into the University's Future Towns Innovation Hub flume laboratory.

The University is conducting this procurement using the Open procedure in accordance with the requirements of the Regulations for the purpose of procuring the goods described in the Specification. The University proposes to enter into a contract of up to 6 years with the successful tenderer.

This will comprise of a warranty period of 2 years following an estimated delivery lead time of 12 months. There will then be the option to extend the warranty and servicing by a further 3-year period subject to the discretion of the University.

The contract will be effecting on signing. The term of the warranty will run for 2 years from the date of the acceptance of the goods by the University.

The estimated value of the contract is £2,300,000.00 GBP excluding VAT. Whilst tenderers are expected to provide a tender that falls within this budget, for the benefit of doubt, the University reserves the right to automatically exclude any tenderers whose tender exceeds this figure. All related components, delivery, installation, commissioning, training, services and warranties MUST be included within the proposal.

The total estimated value of this contract takes into account the estimated value of extending the service and maintenance contract up to an additional three years.

Details of current expenditure or potential future uptake are given as a guide based on past purchasing and current planning to assist you in the preparation of your Tender. They should not be interpreted as an undertaking to purchase any goods or services to any value and do not form part of the Contract.

II.2.5) Award criteria

Quality criterion - Name: Mandatory Technical Requirements / Weighting: Pass/Fail

Quality criterion - Name: Desirable Technical Requirements / Weighting: 50%

Quality criterion - Name: Training Requirements / Weighting: 10%

Quality criterion - Name: Implementation Requirements / Weighting: 10%

Price - Weighting: 30%

II.2.6) Estimated value

Value excluding VAT: £2,300,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

This contract is NOT suitable for splitting into lots. The risk of dividing the requirement into Lots would render the execution of the contract excessively technically difficult, not cost effective and would undermine proper execution of the contract.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

To support the financial assessment, the University will obtain a Business Risk Report for all Tenderers and every organisation that is being relied on to meet this procurement, using an independent company called Creditsafe.

The University reserves the right to exclude a Tenderer or request provision of further assurances such as parent company/bank guarantee or performance bonds where a Tenderer's Business Risk Score is: "Moderate Risk"; "High Risk"; "Very High Risk"; or "Not Rated", based on the rating provided by Creditsafe

Where a Business Risk Score from our external system is not available, then an alternative method of assessing financial standing will be used. This method is detailed within the Invitation to Tender document set.

Minimum level(s) of standards possibly required

Tenderers are advised that a requirement of this procurement is to have in place, or commit to obtain prior to the commencement of the contract, the following minimum insurance levels:

Employers (Compulsory) Liability: £10 million GBP per occurrence

Public Liability: £10 million GBP per occurrence

Product Liability: £10 million GBP per occurrence and in aggregate

Professional Indemnity Insurance: £5 million GBP per occurrence

III.1.3) Technical and professional ability

List and brief description of selection criteria

Tenderers attention is drawn to the MANDATORY requirements of the award criteria:

- Mandatory Technical Requirements M1-M24
- Grounds for mandatory exclusion

- Grounds for discretionary exclusion
- Economic and Financial Standing
- Insurance
- Compliance with equality legislation
- Health and Safety - Control of Contractors Health & Safety (CC3) Form

12:01pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

E-Tendering Portal: The University is utilising an electronic tendering tool, In-Tend (<https://intendhost.co.uk/> universityofsouthampton) to manage this procurement and to communicate with tenderers (as appropriate).

All documentation in relation to this tender can be downloaded from In-Tend.

Tenderers are advised that there will be no hard copy documents issued and all communications with the University, including the submission of Invitation to Tender responses will be conducted via In-Tend.

Regular monitoring of the portal is the responsibility of the tenderer.

If you are not already registered as a supplier with the University of Southampton, you will need to register in In-Tend in order to access the procurement documentation.

Once you have logged in as a supplier: click on 'Tenders'; locate the relevant project; and click 'View Details'. Once you are in the project screen, you will be able to register your organisation against the project and access all documentation by clicking 'Express Interest'.

Tenderers are advised that formal expressions of interest in the project must be by way of completion and return of the relevant documents via In-Tend.

Further instructions for the submission of responses are below:

To submit your return:

1. Log in
2. Click 'Tenders'
3. Locate the relevant project
4. View details
5. Click on the tab relating to the relevant project stage (e.g. 'Invitation to Tender')
6. Click on the 'Attach Documents' button and upload your return.
7. Check ALL your response documents are uploaded and displayed in the 'My Tender Return' panel. The system will only permit your organisation to make one return.
8. Click the red 'Submit Return' button.

Please note, to preserve the integrity of the procurement, all communications with the University must be made via the correspondence function within In-Tend.

Publication of Award Details: In accordance with Regulation 50, paragraph (2) of the Public Contracts Regulations 2015 and subject to Article 5 and Annex 5, Part D (13) of Directive 2014/24/EU of the European Parliament and of the Council (if applicable), the

University intends to publish the value of any resulting contract at the award stage, and reserves the right to do so. By submitting a response, potential suppliers/tenderers are consenting to publication of this information unless otherwise agreed in advance with the University.

Costs and Expenses: Tenderers are solely responsible for their costs and expenses incurred in connection with the preparation and submission of responses and participation in this and all future stages of this procurement. Under no circumstances will the University be liable for any costs or expenses borne by tenderers or any of their supply chain, partners or advisers in this procurement process.

The University is not liable for any costs in the event of the cancellation of this procurement process.
