Scope

Description

Torus is seeking to engage the market in advance of a forthcoming tender opportunity for the provision of legal services. It is intended that the procurement will cover a range of legal disciplines including, but not limited to, housing management, sales and development transactions, employment and HR, and corporate and finance matters. The purpose of this early market engagement is to gather insights from potential suppliers to help inform the scope, structure, and approach of the procurement to ensure it meets the needs of the organisation and delivers best value.
