VI.3) Additional information

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=652247.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

A community benefit requirement is a contractual requirement imposed by the contracting authority –

a) Relating to –

a. Training and recruitment, or

b. The availability of sub-contracting opportunities

b) Which is otherwise intended to improve the economic, social or environmental wellbeing of the authority's area in a way additional to the main purpose of the contract in which the requirement is included.

Tenderers are expected to provide contribution towards community benefits, which will be considered as part of your tender submission. Please detail the actions that you will take to deliver community benefits within the quality questionnaire.

Factors to consider as opportunities for community benefits include:

- Generating employment and training opportunities for priority groups
- Vocational training
- Up-skilling existing workforce
- Equality and diversity initiatives
- Sub-contracting opportunities available to SME's, the third sector and supported businesses and/or in the local area
- Supply-chain developmental activity
- Building capacity in community organisations
- Education support initiatives
- Working with schools, colleges, universities to offer work experience or educational/professional advice
- Community engagement events or providing value to the local community
- Minimising negative environmental impacts, for example impacts associated with vehicle movements and/or associated emissions and impacts on protected species, areas, buildings or sites

(SC Ref:652247)
