Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Term Framework for the Provision of Chemistry Synthesis and other Chemistry Services Outsourcing Framework

Reference number

UoD-LAB031-TC-2023

II.1.2) Main CPV code

- 73110000 - Research services

II.1.3) Type of contract

Services

II.1.4) Short description

Second-Generation Framework for the provision of Chemistry Synthesis and other Chemistry Services Outsourcing with initial term of two (2) years with the option to extend for up to 2 x 12 months, if required, at the sole discretion of the University and subject to ongoing satisfactory performance by the appointed Service Providers.

The Services will include:

1. FTE rate for provision of chemistry support for medicinal chemistry programme(s), typically making 50mg samples of compounds for initial biological evaluation. For actives, re-synthesis on a larger scale may be required (typically 0.5g to 5g scale). The ability to carry out array chemistry is important;
2. Bespoke piece(s) of chemistry e.g. synthesis of a defined list of compounds, typically at 95% purity and for scale up to 98% purity with no impurity >0.5%;
6. Experimental write-ups, when requested, including compound characterization by ¹H NMR, ¹³C NMR and LCMS or UPLC/MS for publications, in-vivo release, tech-transfer to DDU or other CRO for patent purposes.
