#### **II.2.4) Description of the procurement**

Border to Coast Pensions Partnership Ltd require a system(s) that provides research, data and tools to enhance its integration, monitoring and reporting requirements in relation to environmental, social and governance (ESG) factors. The system(s) should have the capability to:

- Provide ESG data (including carbon data) and research on companies and securities across a wide range of asset classes.
- Provide scenario analysis and stress testing functionality in relation to ESG and climate related risks.
- Provide output to support our reporting against a variety of key responsible investment regulation, voluntary initiatives and industry standards.

Please register your interest in the Procurement for ESG Data Provision by emailing [procurement@bordertocoast.org.uk](mailto:procurement@bordertocoast.org.uk)

The documentation required for the procurement process will be available via our Procurement Portal - Proactis at <https://procontract.due-north.com/register> in due course. If you are not currently registered as a supplier, please do so now to avoid delays once the ITT is released. We suggest one primary contact is used per organisation. If there is a more appropriate contact within your organisation, please let us know.

Questions can submitted to [procurement@bordertocoast.org.uk](mailto:procurement@bordertocoast.org.uk)

The Invitation to Tender is expected to be issued on or around 16/07/2021.

### **II.3) Estimated date of publication of contract notice**

16 July 2021

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No
