**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Market engagement - Gloucestershire EV Charging Services

Reference number

DN722849

### **II.1.2) Main CPV code**

- 51110000 - Installation services of electrical equipment

### **II.1.3) Type of contract**

Services

### **II.1.4) Short description**

Gloucestershire County Council is considering letting a contract for electric vehicle charging infrastructure (EVCI) across the County, providing equity of provision to residents, business, and visitors. GCC is seeking information from organisations interested in providing infrastructure and back-office services for the deployment and operation of EV charging infrastructure. Gloucestershire County Council has secured £2.175 M for Phase 2 of its LEVI award and is also prepared to invest £0.5M of GCC capital, a total of £2.675M. Gloucestershire County Council are inviting suppliers to complete a Market Engagement Questionnaire to help determine the level of market interest in bidding for these contracts, and to help us shape our contracts for the deployment of EV charging infrastructure.

Completed questionnaires should be on returned via the Council's e- procurement system by 7th June 2024, 17:00.

The council will invite responding participants to online meetings week commencing 10th June to 14th June 2024.

This market engagement can be found on <https://www.supplyingthesouthwest.org.uk> using code DN722849.
