Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Market engagement - Gloucestershire EV Charging Services

Reference number

DN722849

II.1.2) Main CPV code

- 51110000 - Installation services of electrical equipment

II.1.3) Type of contract

Services

II.1.4) Short description

Gloucestershire County Council is considering letting a contract for electric vehicle charging infrastructure (EVCI) across the County, providing equity of provision to residents, business, and visitors. GCC is seeking information from organisations interested in providing infrastructure and back-office services for the deployment and operation of EV charging infrastructure. Gloucestershire County Council has secured £2.175 M for Phase 2 of its LEVI award and is also prepared to invest £0.5M of GCC capital, a total of £2.675M. Gloucestershire County Council are inviting suppliers to complete a Market Engagement Questionnaire to help determine the level of market interest in bidding for these contracts, and to help us shape our contracts for the deployment of EV charging infrastructure.

Completed questionnaires should be on returned via the Council's e- procurement system by 7th June 2024, 17:00.

The council will invite responding participants to online meetings week commencing 10th June to 14th June 2024.

This market engagement can be found on <https://www.supplyingthesouthwest.org.uk> using code DN722849.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK13 - Gloucestershire

II.2.4) Description of the procurement
