Confidential Data Pack Information

In order to protect the confidential nature of the additional data pack information, the Authority will provide

restricted access to Candidates using PowerBi via the following link:

Tender Data Pack - Power BI

Candidates are required to have an Office 365 package that includes the PowerBI service app in order to access

the additional data pack information.

Candidates can request access to the abovementioned information by following the instructions below:

1. Candidates will need to message the Authority via the Portal and provide their email address corresponding

with their bidding organisation in order to gain access.

2. Upon receipt of the above request, the Authority will provide access to the Tender Data Pack to the

Candidate making the request.

3. If Candidates have a question or experience any issues in accessing the Tender Data Pack information,

please use the Portal's messaging facility.

The Tender Data Pack contains confidential and commercially sensitive information. Candidates are referred to

Appendix 1 (Procurement Conditions) in relation to the handling/use of this information.

Bid submissions must be by way of completion and return of the three Envelopes referred to in the Invitation to Tender ("ITT") document (in accordance with the requirements set out in the ITT) by the date and time

specified in Section IV.2.2. The Authority reserves the right not to accept submissions that are received after

the deadline. Candidates are encouraged to submit their submissions well in advance of the stated date and time in order to avoid issues such as technical difficulties with the electronic system that may be due to the high volumes of traffic attempting to submit applications on the same date at the same time.

Candidates are responsible for their own costs in relation to this procurement process. The Authority reserves the right to cancel the procurement procedure at any point and

shall have no liability to candidates whatsoever

in respect of any costs incurred by candidates in participating in the tender process.

Candidates should note that the Authority gives no warranty or guarantee of any value or number of call-off contracts awarded under the Framework.

Continued from IV.1.3 - In making this decision the Authority has also considered the level of investment to be made by the successful bidder in warehousing, logistics, maintaining equipment stock levels and recycling life-cycle model, so the longer term enables bidders to achieve a greater return in investment and potentially

more favourable leasing options.
