#### **II.2.4) Description of the procurement at the time of conclusion of the contract:**

The initial framework was awarded by Bazalgette Tunnel Limited, trading as Tideway, as the regulated Infrastructure Provider.

Tideway is a standalone entity with its own license from its regulator, Ofwat, that is responsible for the delivery of the Thames Tideway Tunnel (TTT), which is a significant infrastructure asset.

The overarching role and purpose of the framework agreement is to provide access to qualified personnel across a range of commercial support services, for both pre and post contract responsibilities, to support the delivery of the TTT Project.

Initial framework commencement date was June 2016 and based on the original framework term concludes in June 2024. With the TTT Project now entering its final stages, commercial resource is still required but on a diminishing scale and ad-hoc basis.

#### **II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession**

Duration in months

96

In the case of framework agreements, provide justification for any duration exceeding 4 years

Commercial resource required for an additional 3 year term, inline with planned delivery of key project milestones. Incumbent resources required on a diminishing scale and ad-hoc basis for a 3 year term in line with TTT project completion.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

### **VII.2) Information about modifications**

#### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Tideway requires an extension to the current framework agreement to ensure access to specialist commercial resource is in place up until system acceptance, currently planned for mid-2027.

It is likely the level of resource required across the 3 year extension term will be on a diminishing scale based on the status of the TTT project.

#### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Continuation of service requirement based on delivery of project milestones. Level of resourcing is required on a diminishing scale and ad-hoc basis.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £9,200,000

Total contract value after the modifications

Value excluding VAT: £10,700,000
