II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

BlueLight Commercial are looking to establish a national multi-supplier framework for the provision of Live Facial Recognition (LFR) Software. The Scope of the Framework is for LFR Software, which is a real-time deployment of facial recognition technology, which compares a live camera feed (or multiple feeds) of faces against predetermined watchlists, to locate persons of interest by generating an alert when a possible match is found.
