# **Section II: Object**

## II.1) Scope of the procurement

#### II.1.1) Title

Supply of a 200m Indoor Athletics Track (including Design, Build, Installation, Storage and Maintenance)

Reference number

P0740

#### II.1.2) Main CPV code

• 79933000 - Design support services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

The Council wishes to establish a Contract for the provision of a 200m indoor athletics track for a new demountable and portable 200m athletics track to replace the current system including the design, supply and ongoing installation (build / breakdown), storage, transport, maintenance and repairs. The track will be primarily used at the National Indoor Area, now known as Utilita Arena Birmingham. The system will be formed of all frame and finish components needed to create the banked track and raised infield, all formation levels, tray inserts for field events and the final competition surface products. All these must be capable of being assembled, broken down and reassembled yearly. It is expected that the track will have a lifespan of 15+ years.

#### II.1.5) Estimated total value

Value excluding VAT: £1,200,000

#### II.1.6) Information about lots

This contract is divided into lots: No

#### II.2) Description

#### II.2.2) Additional CPV code(s)

- 79930000 Specialty design services
- 37415000 Athletics equipment
- 92620000 Sport-related services
- 37453000 Track sports equipment
- 79933000 Design support services

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

The Council wishes to establish a Contract for the provision of a 200m indoor athletics track for a new demountable and portable 200m athletics track to replace the current system including design, supply, installation (build / breakdown), storage, maintenance and repairs. The track will be primarily used at the National Indoor Area, now known as Utilita Arena Birmingham. The system will be formed of all frame and finish components needed to create the banked track and raised infield, all formation levels, tray inserts for field events and the final competition surface products. All these must be capable of being assembled, broken down and reassembled yearly. It is expected that the track will have a lifespan of 15+ years. The track will be installed for World Athletics (WA) accredited international events for approximately 15 days per year in the Arena. The constraints of the existing seating, arena floor and storage capacity are to be reflected in the design and installation proposals by the tendering parties. The track is to be designed, manufactured and constructed to World Athletics certification, to host athletics events ranging from national championships through to a potential future hosting of the World Indoor Athletics Championships. The track or its components must be capable of being assembled in other suitable locations (indoors or outdoors) to host one-off athletics events.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

84

This contract is subject to renewal

No

#### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: Yes

Description of options

Option to extend for a further 2 years subject to budget availability and satisfactory performance.

#### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

# Section III. Legal, economic, financial and technical information

# III.1) Conditions for participation

# III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

# **Section VI. Complementary information**

# VI.1) Information about recurrence

This is a recurrent procurement: No

# VI.3) Additional information

The track will be installed for World Athletics accredited international events for approximately 15 days per year in the Arena. The constraints of the existing seating, arena floor and storage capacity are to be reflected in the design and installation proposals by the tendering parties. The track is to be designed, manufactured and constructed to World Athletics certification, to host athletics events ranging from national championships through to a potential future hosting of the World Indoor Athletics Championships. The track or its components must be capable of being assembled in other suitable locations (indoors or outdoors) to host one-off athletics events. The Contract will be for the track design and build and last for 5 years for installation, storage, transport, maintenance and repairs with an option to extend for a further 2 years subject to budget availability and satisfactory performance. The Council will be using its free to use etendering system (in-tend) for the administration of this procurement process and potential suppliers must register with the system to be able to express an interest. If you wish to express an interest in this opportunity please click on the following link to access https://intendhost.co.uk/birminghamcc/ and submit your details to register. You will then be sent details on how to log on which will enable you to download all relevant tender documentation. If you are unable to register with In-tend or have any questions or problems on how to use this web site please either email us at: cps@birmingham.gov.uk or call CPS Helpdesk on 0121 464 8000. Your completed tender submission should be returned by noon on 29th July 2021 via the 'in-tend' system https://in-tendhost.co.uk/birminghamcc
