The contractor/concessionaire is an SME

No

## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The modification will be an extension of current services with the existing provider. The proposed length of the contract will be for additional 12 months and will commence on 1 April 2026 and end on 31 March 2027. The additional value of the contract based on the indicative contract budget will be previous 3 years will be £315,000

The contract is activity based and has always remained well within the contract budget value.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

It was the intention that a Single Point of access using a digital platform, which also presents the option of onward referral including other services traditionally delivered in Primary Care would be procured from 1 April 2025 on a SY wide basis. However, due to financial pressures within the ICB and therefore unable to progress through a route for investment for the planning round 2025/26, places have no alternative but to procure services locally until this is resolved.

Considering the circumstances and the timescales of undertaking a full procurement a Modification notice for a 12-month period is required to allow for this work to be undertaken.

All places have agreed to work collaboratively to progress this in developing a SY ICB service specification for Community Eye Care alongside progressing the SPA option.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £391,000

Total contract value after the modifications

Value excluding VAT: £315,000
