II.2.4) Description of the procurement

The Open University (OU) will require the provision of a range of project and programme management services and intends to contract more than one provider, to secure an appropriate level of expertise in the market. The OU is looking to establish a multi provider flexible framework that enables the OU to buy in specialist expertise and capability around project, programme and change management on a call-off basis at pre-agreed rates. It is envisaged a Framework of contracted providers will be appointed to provide a range of services in two lots:-

LOT 1 – PROJECT & PROGRAMME MANAGEMENT Project and programme initiation and set-up Project and programme delivery Project and programme rescue and recovery Visioning and structuring Governance Business Case development Options Appraisal Planning PMO set-up and operation Project and programme controls – including risks, issues, dependencies management, quality and change control Communications and stakeholder management Benefits management Progress monitoring and reporting Resource and budget management Health Checks Transition planning and management Change management – including impact mapping and change readiness Business transformation Behavioural change Organisation design Culture change Change leadership

LOT 2 – CHANGE MANAGEMENT Change management – including impact mapping and change readiness Business transformation Behavioural change Organisation design Culture change Change leadership

Suppliers are requested to respond to this PIN via The Open University's e-tendering website, In-Tend <https://in-tendhost.co.uk/openuniversitySuppliers> should complete and return a Request for Information Response Document by 30th June 2022. This is a Prior Information Notice; this is not a call for competition. Any description of requirements is yet to be fully determined for the supply and services described. Any potential resulting tender will be advertised via the OU's tender portal: <https://in-tendhost.co.uk/openuniversity> and will require further registration. Registration is free and interested parties can register at any time and search for tenders (and PINs) as and when they are advertised.
