Description

The King Charles III England Coast Path (ECP) is a nationwide initiative to provide a 2,700-mile National Trail and is being funded through Natural England's approved scheme.

All funded stretches of the Coast Path must remain in use, and funded items remain functional and fit for purpose, for 5 years from the date of final payment of grant.

To deliver a trail around the Island the Isle of Wight Council has identified ten stretches and six of these have been approved by DEFRA with the funding in place.

Section IOW3 is one of those approved and funded and requiring completion at the earliest opportunity.

Accordingly, the Isle of Wight Council invites tenders from suitably qualified suppliers for

the necessary works.

Total value (estimated)

- £110,000 excluding VAT
- £132,000 including VAT

Below the relevant threshold
