The new duties include:

- o Assessment of need for accommodation-based domestic abuse support for all victims in their area, including those who require cross-border support
- o Development and publication of a strategy for the provision of such support to cover their locality, having regard to the needs assessment
- o This will then form part of the overall strategy used by the board to monitor, evaluate, and report on.

- The new duty covers the following kinds of safe accommodation:

- o Refuge accommodation
- o Specialist safe accommodation
- o Dispersed accommodation
- o Sanctuary schemes
- o Move on or second stage accommodation

In Northumberland, the existing service provision does not fully cover the duties of the Act.
