Section II: Object

II.1) Scope of the procurement

II.1.1) Title

LAB1024AP APUC Framework Agreement for the Supply of Laboratory Consumables and Chemicals

Reference number

LAB1024AP

II.1.2) Main CPV code

- 33793000 - Laboratory glassware

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Authority is seeking Contractor(s) for the supply of those laboratory consumables and chemicals required for the efficient functioning of laboratories in the Scottish HE/FE sector, NHS Scotland and other Scottish public sector organisations. For the purposes of this exercise, consumables and chemicals include but are not limited to Personal Protective Equipment (PPE), glassware, filtration plastics, molecular biology plastics, tissue culture plastics, pipette tips and pipettors, gloves, solvents, fine chemicals, alcohol and acids, bio-chemicals, in-organic chemicals and salts and green chemicals. The Framework Agreement is Lotted with stock management one-stop-shop provisions included. The supply of all products should include a provision for take-back schemes where possible

II.1.5) Estimated total value

Value excluding VAT: £25,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots

17

II.2) Description

II.2.1) Title

Laboratory Glassware

Lot No

2

II.2.2) Additional CPV code(s)

- 33793000 - Laboratory glassware

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

A variety of glassware suitable for a range of laboratory applications are required. Glassware supplied must be fit for purpose, meet descriptions requested, and where required manufactured to withstand the many rigours of laboratory work such as temperature fluctuation and storing volatile compounds.

II.2.5) Award criteria

Quality criterion - Name: Service Delivery / Weighting: 13

Quality criterion - Name: Key Personnel / Weighting: 10

Quality criterion - Name: Value for Money / Weighting: 15

Quality criterion - Name: Responsible Procurement / Weighting: 12

Price - Weighting: 50

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

The potential to consider social considerations (Community Benefits) in public procurement is firmly established and set out in the Public Contracts (Scotland) Regulations 2015.

Contractors are required to work with the Authority and Institutions to deliver community benefits and social value where they are identifiable throughout the term of the Framework Agreement.

The Authority and Institutions are particularly interested in measures that Contractors propose to take to encourage:

The targeting recruitment and training of new entrants, the long-term unemployed and those further from the job market by way of apprenticeships, work placements, student internships, work experience etc.

Donations to local communities e.g., PPE donations

Educational benefits to communities, including working closely with educational establishments and community groups to maximise educational opportunities that arise through performance of the Framework Agreement, increasing awareness, skills and digital accessibility. For example, women in STEMED initiatives.

The Authority and Institutions will work with Contractors to voluntarily go beyond contractual requirements and the minimum legal requirements in pursuit of environmental and social objectives in their daily business operations.

Contractors are encouraged to have policies in place to address community benefits, social and equality targets.
