Associated works

Where necessary, in order to complete the works, kitchen units, bathroom suites, and other fittings and fixtures (including plumbing and electrical element) will need to be removed. These units, fittings and fixtures should be re-fixed by the contractor conducting the work. Carpets and furniture may also need to be temporarily relocated whilst the works are being undertaken.

Works will also include for the making good of any damaged or disturbed surfaces including re-plastering, re-fixing/replacement of floorboards, ceilings, skirting boards etc.

Contractors must be a member of Property Care Association or equivalent Trade Association and hold the relevant CSCS card to be awarded a place on the DPS, including this requirement gives our Members confidence that they are appointing competent and compliant contractors.

The above is subject to change.

The procurement process will be run in accordance with the following programme:

First Mini Tenders released from: 01.08.2023;

DPS end date: 31.07.2028

The organisations that are successful in being awarded a place on the DPS will be given a 'pre-approved' status and will be invited to submit a formal bid when EEM Members have a requirement to contract the workstream associated with property preservation works. Each application to join the DPS will be reviewed by EEM to ensure the minimum criteria for entry onto the DPS is met. The minimum criteria for entry onto the DPS are detailed in Online Supplier Selection Questionnaire Evaluation.

EEM Members are currently located throughout England and Wales and as such opportunities arising from this DPS will be in various geographical areas. For a full update list of the current EEM members please [visitwww.eem.org.uk](http://www.eem.org.uk).

Please note that the total potential value stated in II.2.6) is for the full 5-year DPS period and takes into consideration that the EEM membership may grow over the life of the DPS period. No guarantees are given for values and volumes.
