Value excluding VAT: £450,469.6

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

London

II.2.4) Description of the procurement

Direct Award for fully comprehensive Original Equipment Manufacturer (OEM) for the provision of equipment maintenance, repair and software upgrades. Zeiss do not train 3rd party technicians, maintenance providers or provide access for system upgrades.

All OEM parts are used for repairs and maintenance. They do not sell/provide test tooling kits or software diagnostic tools to 3rd party suppliers. Zeiss engineers have accredited knowledge to fully fault find, repair and calibrate devices following a repair or service. Passwords are not supplied to enable access to device service menus by 3rd party suppliers.

Software upgrades are continually developed, released and installed by a trained engineer when completing a repair, calibration or routine service or completed by Zeiss remote device support. Zeiss also provide remote diagnostic and support via a dedicated technical help desk for all their installations.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
