The Department is seeking to appoint one or more Prime Supplier(s) or Consortia(s) to deliver the TAE Programme, from FY24-25 to FY26-27.

The Department proposes the requirements be split across four (4) Lots:

Lot 1 – HE Tackling Antisemitism Framework - to support and enable universities to demonstrate that the required standard of good practice is in place.

Lot 2 – Scholarships - a scholarship programme that involves a trip and dedicated learning into the history and legacy of antisemitism along with its current appearance.

Lot 3 – Training and Resources for Universities - increasing staff, campus security and student understanding of antisemitism and their ability to identify and tackle it when it arises.

Lot 4 – Resources and support for Schools & Colleges – the development of online learning resources hosted on Educate Against Hate, training to achieve cultural change in settings and further staff/student engagements, to help staff and students develop their understanding of antisemitism, increase their confidence in tackling it and support discussions about antisemitism.
