- 33141127 - Absorbable haemostatics

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Medical Supplies team, which forms part of Leidos Supply Ltd. is considering the potential requirement for the Supply of Haemostatic Gauze on behalf of the UK MoD.

As review was undertaken by Defence Medical Services with the aim of identifying the specification for the ideal topical haemostatic dressing and to summarise the contemporary evidence behind the market leading products in order to inform an evidence based decision with reference to future purchasing.

The findings of the report remain appropriate and the clinical advice remains that any of the following three products, would be considered a suitable option for use by Defence:

Celox Rapid (Medtrade Products Ltd, Crewe, UK). NSN — 6510-99-184-6453.

HemCon ChitoGauze PRO (Tricol Biomedical Inc, Portland or USA). NSN — 6510-01-591-7740

QuikClot Combat Gauze (Z-MEDICA, Wallingford, CT, USA). NSN — 6510-01-562-3325.

As such, Team Leidos would like to make interested suppliers aware that it intends to tender the requirement for the supply of topical haemostatic agent (Haemostatic Gauze), for one of the above listed products, with a view to awarding a single contract that may commence during 2024 for a period of up to 4 years.

Estimated total value between £4,250,000 and £7,500,000

Please note: this PIN is for information only (market research) and is not a pre-qualification exercise.

In addition, please note that as a framework agreement there is no guarantee of business.

II.3) Estimated date of publication of contract notice

12 July 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos. Team Leidos would like to make interested suppliers aware that it intends to invite tenders for its supply and delivery of Haemostatic Gauze.
