II.1.4) Short description

The Department for Business and Trade (DBT), Office for Product Safety and Standards (OPSS) is the appointed market surveillance authority, responsible for enforcing the Construction Product Regulations (CPR) within the UK.

OPSS will carry out assessments and testing to determine the current levels of compliance in the construction products sector in the UK in line with Construction Product Regulation requirements.

This Invitation to Tender (ITT) will cover the delivery of testing on behalf of OPSS, within a specified set of requirements. Potential suppliers are invited to submit tenders covering the requirements listed in this document.

Structure of this Procurement

This procurement is split into four Lots as follows:

Lot 1 – Insulation and Cladding

Lot 2 – Electrical Cables

Lot 3 – Plywood & Wood Based Materials

Lot 4 – Smoke Control Dampers & Fire Dampers

Bidders may bid for any number of Lots. It is the intention of the Contracting Authority to

award a contract to a single supplier for each Lot. The criteria questions will need to be completed separately for each Lot being bid for.

Please register your interest in submitting a tender for this project by signing up to our procurement platform, Jaggaer. The Jaggaer platform allows for all ITT documents to be viewed and downloaded, bids to be submitted, and clarification questions to be asked and responded to. Please use the following link to register on the platform:
