## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Framework agreement of oceanographic modelling technical support

Reference number

18303

#### **II.1.2) Main CPV code**

- 71352000 - Subsurface surveying services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The purpose of this document is to present the Technical Requirements for the provision of a Framework Agreement of Oceanographic Modelling Technical Support consultant services for the Minesto Company (Deep Green Technology). Key services include tidal current modelling including the effect of energy extraction by arrays of Minesto' Deep Green "kite" technology (array modelling). The framework will be set-up with Minesto UK but will cover support services needed for all sites in the Minesto Group and will thus be valid for all entities under Minesto.

The Framework should preferably have prices valid for three years, with a review after two years if requested of any of the parties.

## **VII.2) Other additional information**

We realise that we have given a short notice for submitting tenders, therefore we have decided to extend the submission deadline until 13/07/2021 at 10.00am. We hope that this will give sufficient time for all interested parties to submit their tender.
