II.1.4) Short description

NHS Shared Business Services (NHS SBS) act in an Agency capacity for and on behalf of its customers (Approved Organisations) - existing and new. These comprise of NHS and Social Care organisations (whether acting individually, or on behalf of, or together as members of any consortia) along with any other public or private sector bodies which NHS SBS authorises to use the resulting Framework Agreement.

NHS SBS intends to put in place a Framework Agreement for Decarbonisation of Estates and related Works, Services, and Goods to be used by NHS SBS Approved Organisations. This will include installing and retrofitting a range of energy efficiency measures. NHS SBS is seeking interest from interested parties that can deliver a multiple measure approach (i.e. a range of works under a single contract); this Framework will not deliver individual energy efficiency measures.

Our Approved Organisation list can be found on:

<https://www.sbs.nhs.uk/services/framework-agreements-categories/>

The Framework Agreement will be structured using the following Lots:

Lot 1 - Decarbonisation of Non-Domestic / Public Buildings

Lot 2 - Decarbonisation of Domestic Properties

We are committed to working with suppliers who are dedicated to Sustainability and Social Value and there will be a significant weighting on these elements in the tender.
