The contracting authority owns the properties and service provider/s will be granted leases that are co-terminus with the Service Contract and pay peppercorn rents.

The contracts for the Services are envisaged to be based on a block contract arrangement with 3 children to be placed at each home all the time. Successful bidder/s must cover the outcomes stated in the Service Specification in relation to care and support for the children and young people needing care.

The proposed contract will run for 10 (ten) years term starting from the Service

It is anticipated that there will be a Pre-Service Mobilisation Period of up to 8 weeks for preparatory purposes. This shall commence from the Commencement Date of each Contract. Following the completion of the Mobilisation Phase, as advised by the contracting authority in writing, the Commencement of the Services is expected to be in place.
