Works

II.1.4) Short description

The Project aims to regenerate the site at 71 – 75 Westmead Road, Sutton, SM1 4JF (the Site) to provide a pleasant living environment for new residents. The Project has achieved planning permission and aims to construct a four (4) storey (ground floor to third floor) development consisting of thirty-five (35) apartments with associated services, landscaping, cycle storage and car parking areas. The Project will deliver a play space as well as planting and hard landscaping. All the units will be required to meet:• the minimum size requirements of the Core Strategy and the London Housing Design Guide August 2010; and • the principles of Secure by Design as described further in the Employer's Requirements. The anticipated value of the Project is approximately eight million five hundred thousand pounds (£8,500,000) excluding VAT. Tenderers should note that this sum is indicative only and is not to be read as a fixed or final cost. The anticipated build period for the Contract will be
