Description

The objective of contacting the market through the preliminary market engagement (PME) is to engage with potential service providers and gather insights into innovative and effective approaches for the delivery of substance use services in North East Lincolnshire. This engagement will help ensure that the forthcoming procurement process is informed by industry expertise, market trends, and best practices, allowing us to develop a service model that meets local needs and aligns with the Authority's strategic priorities. Should the procurement take place, it will be conducted under the Health Care Service (Provider Selection Regime) Regulations 2023.
