#### II.1.4) Short description

The University of Derby Business School would like to procure the services of multiple individual mentors to support senior leaders of small and medium size businesses across the UK to boost their business performance, resilience, and long-term growth. The university is working with a consortium of the Chartered Association of Business Schools (CABS) and a consortium of Small Business Charter Accredited Business Schools to deliver the government's new Help to Grow: Management programme.

The 12-week programme is 90% funded by the Government and has been designed to allow participants to complete it alongside full-time work.

The practical curriculum is designed to build capabilities in leadership, innovation, digital adoption, employee engagement, marketing, responsible business, and financial management. By the end of the programme participants will have developed a business growth plan to help them to scale their business.
