CLI-FTS-58536

### **Description**

National framework for the provision of breast implants, nipple implants, expanders and sizers.

### **Commercial tool**

Establishes a framework

---

## **Framework**

### **Maximum percentage fee charged to suppliers**

0%

### **Further information about fees**

NA

### **Framework operation description**

Competitive Selection Process may be utilised. Pricing will be managed by the national Category Team. Call-off contracts may be awarded with or without competition between suppliers on the framework. Although the various 'price breaks' within the over-arching Framework, as provided by each Provider, will be applicable to all participating Organisations, each Provider will nevertheless have the opportunity to revise their own offer based on the specific requirements, and award criteria, outlined in each competitive selection process. During a competitive selection process, any assessment of sProvider's proposals will be based on some or all of the award used to assess this tender. Participating Organisations may determine additional sub-criteria during the competitive selection process. The competitive selection process for the award of a call off contract may include conditions of participation

### **Award method when using the framework**

Either with or without competition

### **Contracting authorities that may use the framework**

Establishing party only

## **Contract 1. CLI-FTS-58536 Surgically Implanted Breast Prostheses**
