II.1.4) Short description

West Yorkshire Police have an ongoing operational requirement for the provision of temporary remote-signalling alarms and the associated monitoring of these alarms. These alarms are a short-term measure of crime prevention to provide direct communications and initiate police response in the minimum time if activated.

Currently there are approximately 150 temporary remote signalling alarms in circulation that are monitored on a 24/7, 365(6) days a year basis. Approximately 392 installations and removals were processed within the last 12 months.

The intention of this Tender is to contract with a service provider who can supply, install, monitor, repair/maintain and remove 'Temporary Remote Signalling Alarms' as specified and to the standards and requirements detailed within the tender documents available at https://uk.eu-supply.com/app/rfq/rwlenrance_s.asp?PID=38542&B=BLUELIGHT.

This requirement will replace the current contract that is due to expire in September 2021.
