## VII.2) Information about modifications

## VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The proposed increased extension duration is not considered to change the overall nature of the contract

#### VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Due to the on-going significant challenges presented by the COVID19 pandemic and restrictions to normal working practice, continuity of communication support services

provided on all of our live projects during this period of uncertainty it is considered to be business critical as we continue to follow the Scottish Government's Route Plan out of lockdown.

The importance of consistent communication and continuity of message delivery during these challenging times is an overarching factor in seeking this further extension. We continue to have a significant programme of major improvements currently progressing through various stages of design development and statutory procedures.

Key staff resource required to prepare and procure a new contract and provide project governance has continued to be constrained due to pivoting to support the recovery from the effect of the ongoing COVID19 pandemic.

## VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £5,100,000

Total contract value after the modifications

Value excluding VAT: £6,500,000
