Security Services

Reference number

FA1659

II.1.2) Main CPV code

- 79710000 - Security services

II.1.3) Type of contract

Services

II.1.4) Short description

Provision of Security Services across the estate which will predominantly be static guarding. This will be required across approximately 30 of our sites a mixture of Tier 1-3, with mobile patrols being required across our estate on a determined rota. In addition we also require support for Access Controls and General security requirements for corporate sites, Alarm Monitoring and ID Card management

The Service Provider shall provide a professional and comprehensive Security Service (static site guarding, CCTV, and mobile response) that offers appropriate assistance and protection for the TWUL estate.

The Provider shall be expected to operate flexibly, by responding to TWUL's requirements where extra services are needed or amendment to the assignment instructions are wanted in providing general security assistance to TWUL.

The Provider will work in line with TWUL security processes and industry best standards. The Provider should be a minimum of NSI silver working towards NSI gold or already NSI gold accredited .

Ultimate responsibility for security policy, process and security risk assessments remains with TWUL.

II.1.5) Estimated total value

Value excluding VAT: £31,200,000

VI.4) Procedures for review

VI.4.1) Review body

Thames Water Utilities Limited

Reading

RG1 8DB

Country

United Kingdom

VI.4.2) Body responsible for mediation procedures

Thames Water Utilities Ltd

Reading

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Thames Water Utilities Ltd will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Utilities Contracts Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.4.4) Service from which information about the review procedure may be obtained

Thames Water Utilities Ltd
