II.2.4) Description of the procurement

The tender project is seeking to appoint a Contractor whose initiative and innovation will be welcomed for the provision of service within the existing facilities of all schools, with a focus on exciting new food concepts to satisfy a wide range of pupil tastes and dietary requirements. The Schools would wish the successful contractor to review the current range of services offered and make recommendations accordingly.

The contract being tendered is for three years in duration from 1st April 2024 to 31st March 2027 with the option to extend for up to a further 2 years at the discretion of the client. This contract will operate as a Guaranteed Performance Contract, with the successful Contractor offering the Schools a guaranteed return / cost per annum for the provision of catering services. Sovereignty of the cash tariff is to remain with the Trust for the duration of this contract.

The School year at all schools is based on a calendar of 195 days. Five days are to be used for staff professional development which means that Schools will be open to receive students for the legal minimum of 190 days.

The contract offered covers the scope for the provision of all catering services within the Schools, which currently includes (where applicable); breakfast provision, morning break, lunch, all hospitality and free issue requirements. Free School meals are to be charged

per pupil on uptake with a margin attached, and hospitality will be charged based on consumption and at net food cost.

Whilst the Trust prioritises value for money as a key objective of the Competitive Tender Process, it is not obliged to accept the lowest price.

The Trust expects the successful contractor to enable the continued development of catering through the provision of an innovative, healthy food service, with fresh, seasonal, locally sourced ingredients being prepared on-site, with sustainability at the heart of all aspects of the provision. The Trust expects the successful tenderer to evidence, through their bid, how they shall support and complement its values and support the principles of “Dignity, Collaboration, Positivity & Aspiration”.

The Trust believes that success should be celebrated and that pupils should enjoy their time at school; if lessons are stimulating and challenging then students will love learning.

As schools who are continually seeking ways to improve and develop the ethos and environment for students and staff, we want to give them the facilities they deserve and need to meet the challenges of the 21st Century. Any consideration regarding funding improvements as part of the Contractor’s tender submission would be welcomed.

The Trust’s core aim is to ensure that we enhance the life chances of all the young people within the Trust to enable them to fulfil their potential and achieve the best possible outcomes. This is at the heart of everything we do.

Please note that Laindon Park Primary School runs their catering in house and is not participating in this tender.
