The digital autopsy report contains or suggests the cause of death for consideration by a pathologist at Birmingham Central mortuary. Section 1 of the Coroners and Justice Act 2009 places a duty on the coroner to investigate certain deaths. Section 14 of the Coroners Act 2009 allows the coroner to order a suitable post-mortem examination to enable the coroner to decide if Section 1 applies. CTPM's are an innovative technology that should in the future prevent invasive post-mortems, which many families and some religions would like to see avoided. The framework agreement Contract will be awarded for 2 years commencing 1st October 2024. The Framework Agreement will be awarded to one supplier.
