#### **II.1.4) Short description**

Birmingham City Council is seeking tenders from suitable tenderers that wish to be appointed to a Framework Agreement for the provision of the Service. The Service required will primarily be to transport vulnerable children and young people to and from schools and colleges. Birmingham City Council must meet the statutory requirements relating to home to school transport and sustainable travel. The Council is the largest service of its kind in the country providing transport services (vehicles, drivers and passenger assistants) to support over 4,500 children and young people with SEND. There are over 1,200 transport routes operated each day and, as at early September 2022, approximately 920 of these routes require passenger assistants to support the needs of these children and young people. The Framework Agreement will be in two Lots and will be awarded to multiple suppliers.

### **II.2.3) Place of performance**

NUTS codes

- UKG - West Midlands (England)

### **II.2.4) Description of the procurement**

Lot 2 will have a maximum of 35 suppliers and call off will be via direct award based on vehicle type and pricing. Once the Framework Agreement commences and there is a requirement, the Council will directly award that requirement via a direct Call-Off Contracts to the supplier who achieved the highest ranking in total combined score (quality and price) against the required vehicle type/category. Call off requirement will be based on vehicle type. Where an award is made to the highest-ranking supplier in terms of a particular vehicle type, confirmation of award to that supplier on the framework will be

subject to the supplier having sufficient capacity to undertake the work and its acceptance of the Call-Off Contract (thereby fulfilling the demands of the specification). If suppliers do not have sufficient capacity against the required vehicle type the Council will directly award call off contracts to the supplier who has achieved the second highest total combined score (quality and price). This process will be followed for all suppliers who will be ranked sequentially in order of their total combined score with the lowest scoring tenderer ranked last in order to form a "league table" for each vehicle type/category.
