Description

Outline description and scope of requirements for the Supply of Natural Gas For clarity please see detail below:

Scope of Services and Specification Summary:

- The requirement has been divided into 2 regional lots based on supply areas. (Lot 1 - Phoenix network area & Lot 2 - Firmus network area).
- Tenderers may bid for one or all lots and tenderers may be successful for one or all lots.
- A 12 month contract is required, anticipated to commence on 1st July 2024.
- Gas supply is across multiple regions on a flexible priced basis.

- Only natural gas suppliers licensed by the Northern Ireland Utility Regulator are eligible to make submissions under this tender.
- Information on gas consumption and the number of sites has been provided by the Association within the Tender package. However, information may be subject to minor changes and consumption may vary.
- Additional sites may be added to any contracts during the contract term.
- Rates are to be variable with a fixed margin
- Prices should be all inclusive with the exception of VAT, which will be added at a rate of 5%.
- Group billing must be provided along with an online billing facility / customer portal.
- Payments from the Association are expected to be via Direct Debit with terms to be agreed.

Contract dates (estimated)

- 1 July 2025 to 30 June 2026
- Possible extension to 30 June 2027
- 2 years

Description of possible extension:

1 12 month extension
