The contracting authority/entity is purchasing on behalf of other contracting authorities/entities:

No

Section II: Object

II.1) Title attributed to the contract by the contracting authority/entity:

Prior Information Notice - Multi Point Pressure Breathing Rig

II.2) Type of contract and location of works, place of delivery or of performance

Services

Service category No 1: Maintenance and repair services

Main site or location of works, place of delivery or of performance

RAF Henlow

NUTS code

- UKH25 - Central Bedfordshire

II.3) Information on framework agreement

The notice involves the establishment of a framework agreement: No

II.4) Short description of nature and scope of works or nature and quantity or value of supplies or services

This is a prior information notice to give suppliers advance notice that the Authority intends to initiate procurement activities for a support and maintenance contract for the Multi-Point Pressure Breathing Rig (MPPBR). The MPPBR is a ground-based training device, currently based within the RAF Centre for Aviation Medicine (RAF CAM) building based at RAF Henlow. It provides students with a realistic training experience of pressurised breathing using compressed air through aircraft oxygen breathing equipment.

The Authority's requirement is for corrective, preventative and support maintenance of the MPPBR and associated in-service Post Design Service (PDS)/ad hoc tasking. In addition, the Authority is seeking the supplier to maintain, support and provide Design Organisation (DO) cover for the safe operation of the MPPBR.

Estimated Procurement Timescales:

Activity Estimate Date

Contract Notice / DPQQ issued July 2022

ITT issued to down selected tenderers August 2022

Tender response due September / October 2022

Contract Award Late October / Early November 2022

Estimate Value: £160,000 - £200,000 (inclusive of option years and anticipated level of PDS/ad hoc tasking).

Anticipated Duration: 3 years plus 2 x 1 year optional extensions.

Please Note: the above information is indicative only and may be subject to change. The Authority reserves the right to not launch the procurement.

Estimated value excluding VAT

Range: between £160,000 and £200,000

Lots

This contract is divided into lots: No

II.5) Common procurement vocabulary (CPV)

- 50800000 - Miscellaneous repair and maintenance services

II.6) Scheduled date for start of award procedures and duration of the contract

Scheduled date for start of award procedures: 14 October 2022

Section VI: Complementary information

VI.1) Information about European Union funds

The contract is related to a project and/or programme financed by European Union funds: No

VI.2) Additional information

The Contracting Authority intends to use an e-Tendering system in this procurement exercise, please visit www.contracts.mod.uk for full details and to register your interest in this procurement.

VI.3) Information on general regulatory framework

Relevant governmental Internet sites where information can be obtained

Tax legislation
