Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Shipyard Review of Productivity and Potential Improvements Study

Reference number

Case 605753

II.1.2) Main CPV code

- 79313000 - Performance review services

II.1.3) Type of contract

Services

II.1.4) Short description

Ferguson Marine (Port Glasgow) Limited (FMPG) is a shipyard based on the lower River Clyde in Scotland. The Scottish Government wishes to commission a report to identify potential ways to improve the competitiveness of the shipyard in support of its sustainable future.

II.1.5) Estimated total value

Value excluding VAT: £180,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 79313000 - Performance review services

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

The scope of work for this initial phase of generating the development plan will be:

- i. Clarification of the target productivity, target product mix and planned shipbuilding strategy of the yard;
- ii. Development of a shipyard concept layout that supports steady-state shipyard operations at the target levels of throughput and productivity for the target product mix;
- iii. Identification of measures that, if executed, will improve efficiency and competitiveness in relation to comparator shipyards; Detail of the order of the phases that should be actioned and the anticipated costs of each.
- iv. High-level estimation of the timeline and capital investment required to implement the measures identified.
- v. High-level estimation of the timeline and capital investment required to implement the measures identified.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

18 July 2022

End date

31 October 2022

This contract is subject to renewal

Yes

Description of renewals

The Purchaser may extend the period of the Contract to a date falling no later than 31 December 2022. Subject to that constraint, the Purchaser may extend the period of the Contract on more than one occasion.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

List and brief description of selection criteria

Bidders will be required to demonstrate at least one(1) relevant examples of supplies and/or services carried out during the last three years that demonstrates the required experience to deliver the services as described in part II.2.4 of this Contract Notice.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

Accelerated procedure

Justification:

SG is working with Ferguson Marine Port Glasgow (FMPG) [a business wholly owned by Scottish Ministers] to understand what improvements and investment could benefit the shipyard to increase its productivity and competitiveness to support it in securing a sustainable future. This report will provide an independent assessment to support these considerations. FMPG is currently building two SG - funded ferries and is actively pursuing future contracts. A window of opportunity has been identified in the yard's current work programme when any improvements identified in this report could be undertaken at a time that minimises any impact on existing projects and is undertaken in advance of the next prospective vessels being built. In order to maximise the chances of alignment with this window of opportunity, and mitigate any negative impact on current or future projects, the Scottish Government is using the accelerated time limits permitted under the in respect of this procurement.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

17 June 2022
