- 90523000 - Toxic waste disposal services except radioactive waste and contaminated soil

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

APHA is an Executive Agency of Defra and delivers the Animal Health and Welfare policies of the Defra, Scottish Government and Welsh Government across Great Britain (GB). One of its principal functions is the safeguarding of animal health and welfare and public health, which in turn supports economic growth and trade.

APHA has a critical role in the control and eradication of endemic and exotic notifiable and reportable diseases including responding to Outbreaks and Incidents, for example Notifiable Avian Disease or swine fever. APHA and other GB government (central, devolved and local authorities) may have a need to employ a range of contractors to deliver certain types of work on its behalf.

Interested parties should email mandy.worsnop@defra.gov.uk by 17 May 2024 if you would like the slide pack relating to this requirement sent to you. (This will be issued on / before 24 May 2024.) On review of the slide pack, if you have further initial queries please submit them in writing to the contact above by 31 May 2024.

II.3) Estimated date of publication of contract notice

10 June 2024
