#### **II.2.4) Description of the procurement**

The government is committed to levelling up across the UK in order to raise productivity and growth in all nations and regions, creating opportunities for everyone, and addressing

disparities in economic and social outcomes. Tax incentive reliefs are a key component of Government policy.

HMRC needs to better understand the regions where activity underlying tax reliefs is occurring in order to determine whether particular regions may be marginalized. This will allow HMRC to know where corrective action or marketing activity is required. This research will be focusing on tax reliefs including Research and Development (R&D), and Patent Box
