To be opened electronically using the Delta eSourcing software by Fusion21's Procurement Manager

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: Approximately 12 months before the end of the Framework term.

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

Where the contract notice states a maximum of 15 operators to be appointed to the framework, this means up to 15 within each lot and geographical region. Fusion21 reserves

the right to vary this number and bidders accept this on submission of their bid.

The permissible users able to access this framework can be clearly identified via the following link: <https://www.fusion21.co.uk/frameworks/frameworks-permissible-users/>
