II.2.4) Description of the procurement

This Market Engagement Questionnaire is being made publicly available to any organisations interested in providing Insurance Services for South Lanarkshire Council (the Council) and South Lanarkshire Leisure and Culture SCIO (SLLC).

This exercise is intended to provide potential bidders with the opportunity to view and comment on the Insurance requirements if they wish to do so. This builds on a commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final Invitation to Tender (ITT) in a fair and transparent manner. This exercise is to ensure that the final ITT provides all tenderers with a clear

understanding of the Council and SLLC's requirements and help reduce the number of questions that may be raised in the Tender Period.

The Council is considering the following procurement routes:-

1. publishing an invitation to tender, on PCS-Tender, in September 2023, using Insurance Services 3 DPS / CCS RM6020.
2. Conducting open tendering procedure, in September 2023

The Council therefore seeks to confirm the level of interest from the Insurance Market for submitting bids within the proposed timescales.

Potential bidders are invited to complete the Questionnaire and submit their responses no later than midnight on Sunday 16th June 2023. Responses should be sent to louise.mcnaught@southlanarkshire.gov.uk . Responses received after Sunday 16th June may still be considered for

the purpose of informing the ITT.

The Council may hold a Market Engagement event or series of meetings, on MS Teams, based on responses from this notice.

The intention of the Market Engagement meeting would be to allow potential Providers to give their views on proposed Insurance Services and discuss their responses to this Questionnaire. This would be used to help inform

the final Specification and Invitation to Tender (ITT).
