II.1.1) Title

Ticket Retailing Solutions - Contract Modification

II.1.2) Main CPV code

- 48100000 - Industry specific software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

It is our intention to undertake a modification to an existing contract. The contract modification is for the extension of existing provision of at station ticket issuing system

capability and the addition of mobile ticket issuing system capability for an interim period.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The contract modification is for the extension of existing provision of at station ticket issuing system capability and the addition of mobile ticket issuing system capability. Such extension and modification is to provide an interim solution pending review of the longer term solution

II.2.5) Award criteria

Cost criterion - Name: Cost to change / Weighting: Various

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Additional deliveries by the original supplier

Explanation:

Due to a number of factors not least industry reform, business continuity and system resilience, affordability and minimization of change impact, this contract modification is deemed to be the optimal approach to provide a sustainable solution for the period concerned as it is clear that any change in contracting partner at this juncture would cause significant inconvenience and substantial duplication of costs. Such modification allows for continuation of services with the addition of aligned services to support business continuity at a lower cost with minimal relative additional cost of implementation. It is understood that this is an interim solution for a period of up to 2 years pending further review which will take into account influencing factors impacting future solutions

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract

A contract/lot is awarded: No

V.1) Information on non-award

The contract/lot is not awarded

Other reasons (discontinuation of procedure)

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body
