The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

All Requirements are states in the procurement documents.

For Lot 1a - Tenderers staff shall be appropriately qualified and must be registered with Elmhurst or can commit to registration with Elmhurst within 3 months of the Contract Award Notice.

Lot 1b - Tenderers should hold Gas Safe certification or equivalent accreditation either directly or within the supply chain.

Lot 1c - Tenderers should hold Select, NICEIC certification or equivalent accreditation either directly or within the supply chain.

Lot 1d - Tenderers should hold Gas Safe certification or equivalent accreditation either directly or within the supply chain.

Lot 1e - Tenderers Should hold BPEC certification or equivalent accreditation either directly or within the supply chain

Lot 2 - Tenderers Should hold PAS 20 35 accredited assessors employed directly or within the supply chain. Tenders should also hold, Gas Safe, Select or equivalent accreditation either directly or within the supply chain.

Bidders are required to confirm at 4A.1 of the SPD that they hold the required accreditations.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Organisations are required to have minimum annual turnover in the last financial year for Lots 1a, 1f and 1g of 250,000.00 GBP pounds, Lots 1b, 1c, 1d, 1e 1,000,000.00 pounds GBP and Lot 2 2,500,000.00 GBP and must be able to provide audited accounts for the last two years if requested. Additionally organisations are required to have an Experian score greater

than 50 or can demonstrate to the satisfaction of PfH Scotland that its financial position is sufficiently robust to merit a place on the framework. PfH Scotland will obtain an independent third-party risk report from Experian using the company registration number supplied by the bidder. Any bidder who does not meet the minimum threshold of 50 out of 100 (Average Risk) will be subject to further investigation. This may entail a review of recent accounts and PfH Scotland reserves the right to request additional information to satisfy itself that the organisation is financially secure. PfH Scotland reserves the right to reject a bidder where it has doubts over the financial positional of an organisation. It is the bidders responsibility to ensure that all information held by Experian is accurate when submitting the tender.

Minimum level(s) of standards possibly required

Bidders are required to hold a minimum (or commit to holding) a minimum of five (5) million pounds GBP Employers Liability Insurance and a minimum of five (5) million pounds GBP of Public Liability Insurance. For Lots 1a, 1f and 2 only Professional indemnity insurance of at least two (2) million pounds GBP must held (or commit to hold).

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to be able to supply at least three contract examples for each lot they are bidding for. Such examples must be within the last three years (five for works contracts) and must provide sufficient detail to enable PfH to be able to identify and assess the relevance of the contract examples to the services required under the framework agreement. Bidders should use question 4C.1.and 4C.1.2 to respond to the requirement. Bidders that are unable to provide three relevant and appropriate examples demonstrating sufficient experience (or provide a justification why they are unable to do so) will be excluded from the procurement process

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

As Part of their tender submission bidders will be required to state the social, economic and environmental benefits they will deliver as part of the framework contracts

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 30

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2021/S 000-008992](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Originally published as:

Date

16 August 2021

Local time

5:00pm

Changed to:

Date

27 August 2021

Local time

12:00pm

See the [change notice](#).

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

16 August 2021

Local time

5:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

- 1) Bidders may be excluded if they are in any of the situations referred to in Reg.58 of the PCSR 2015.
- 2) If required by the member state, bidders must be enrolled in the relevant professional or trade registers of their country.
- 3) Bidders must state the amount of the contract they expect to subcontract.
- 4) Quality assurance. Bidders are required to hold a UKAS (or equivalent) accredited independent third-party certificate of compliance in accordance with BS EN ISO 9001 or can demonstrate that they have robust equivalent quality standards in accordance with Document 2 of this tender.
- 5) Health and Safety. Bidders are required to hold a UKAS (or equivalent) accredited independent third-party certificate of compliance in accordance with ISO 45001 or has within the last 12 months met the assessment requirements of a construction related scheme in registered membership of the safety schemes in procurement (SSIP) or; can demonstrate that they have robust equivalent health and safety standards in accordance with Document 2 of this tender.
- 6) Environmental. Bidders are required to hold a UKAS (or equivalent) accredited independent third-party certificate of compliance with ISO 14001 or can demonstrate it has robust equivalent environmental standards in accordance with Document 2 of this tender.

This Framework may be used by any contracting authority listed in or referred to in the FTS / PCS Notice. This includes: All current members of PfH at the time of the FTS / PCS notice for

this procurement; Any registered provider of social housing (or Welsh registered social landlord, or Scottish registered social landlord) that becomes a member of PfH during the period of the Framework Agreement; Any public authority (as defined in the Freedom of Information Act 2000 for public authorities in England, Wales, Northern Ireland and UK-wide public authorities based in Scotland, or as defined in the Freedom of Information (Scotland) Act 2002 for Scottish public authorities) that becomes a member of PfH at any time during the period of the Framework Agreement; Any local authority (as defined in the Local Government Act 1972 for public authorities in England and Wales or as defined in the Local Government (Scotland) Act 1973 for Scottish local authorities or as defined in the Local Government Act (Northern Ireland) 1972 for local authorities in Northern Ireland) that becomes a member of PfH at any time during the period of the Framework Agreement; Any housing Arm's Length Management Organisation (ALMO) that becomes a member of PfH during the period of the Framework Agreement; Any wholly owned subsidiaries of any of the above Organisations And any other contracting authority listed on the following page of the PfH website

<http://procurementforhousing.co.uk/permissible-users/> at the time of the FTS / PCS notice for this procurement.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=659204.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>
