Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Please refer to these statements when completing Section 4B of the SPD (Scotland)

Statement for 4B:

Economic operators shall be required to satisfy minimum standards of economic and financial standing. To determine these standards, economic operators shall:

(a) in response to Question Ref. 4B.1a provide the specified ('general') annual turnover and the associated annual accounts as filed at Companies House (or equivalent if not UK registered company) for the last 2 years of trading, or for the period which is available if trading for less than 2 years;

(b) in response to Question Ref. 4B.2a provide the specified annual turnover in the business area(s) covered by the contract notice and the associated annual accounts as filed at Companies House (or equivalent if not UK registered company) for the last 2 years of trading, or for the period which is available if trading for less than 2 years;

(c) in response to Question Ref. 4B.5 confirm they already have or can commit to obtain, before the commencement of the contract, the required levels of insurance.

Economic operators shall be required to provide evidence of a turnover exceeding 500,000 GBP per annum. This requirement will be assessed on a pass/fail basis.

Where the submission has been submitted by a group of economic operators, the information submitted by each group member will be evaluated in the proportion of the percentage shareholdings or percentage equity/interest of each group member and a score determined for such group of economic operators on that basis. However, where a bidder has structured themselves to rely on one bidder to satisfy elements then CFL shall require joint and several liabilities.

If any bidder does not meet the financial criteria for consideration but has a parent company that does, the bidder may still be eligible for consideration where their tender submission is supported by a parent company guarantee.

There must be no qualification or contra-indication from any evidence provided in support of the bidder's economic and financial standing.

In response to Question Ref. 4B.5a 4B.5b and 4B.5c economic operators must confirm they already have or can commit to obtain, before the commencement the following levels of insurance:

Employer's (Compulsory) Liability Insurance = 10 million GBP

Public Liability Insurance = 5 million GBP

Product Liability Insurance = 5 million GBP

Professional Indemnity Insurance = 2M GBP

The bidder should purchase any other insurance cover as necessary, considering the terms and conditions of this contract. In responding to Question Ref. 4B.5a 4B.5b and 4B.5c of the SPD, where a bidder ticks the box 'No, and I cannot commit to obtain it' the submission shall be marked as a fail.

Economic operators that alter their composition after submitting will be the subject of re-evaluation.

CalMac Ferries reserves the right not to conclude any contract as a result of the procurement process initiated by this notice and to make whatever changes CalMac Ferries deem appropriate to the content, process, timing, and structure of the procurement process.

VI.3) Additional information

CFL's general conditions of the procurement will be published in the ITT. In the meantime, economic operators should note that the conditions of the procurement include (but are not limited to) the following:

— The eligibility requirements in this contract notice will always apply to the procurement. Economic operators may be excluded from this competition if the economic operator no longer meets the selection criteria set out in the contract notice at any stage during the competition and/or there is a change in identity, control, financial standing, or other factor impacting on the selection process affecting the economic operator,

— CFL is subject to the requirements of the Freedom of Information (Scotland) Act 2002 and the Environmental Information (Scotland) Regulations 2004. Accordingly, all information submitted to CFL may need to be disclosed and/or published by it in response to a request under FOISA or the EIRs, and—Economic operators will remain responsible for all costs and expenses incurred by them in connection with this competition. CFL will not be liable to reimburse or compensate any costs incurred in connection with an economic operator's participation in this competition, including any costs or other liability in respect of the cancellation of the process.

The award criteria questions and weightings are set out in the ITT made available with this notice.

Award criteria scoring will be the following:

0 Unacceptable, 25 Poor, 50 Acceptable, 75 Good, 100 Excellent.

These ITT questions shall be grouped as either belonging to mandatory pass/fail type

questions or questions which shall be scored and weighted.

Where a supplier has been assessed to have failed a pass/fail question their tender submission shall be deemed non-compliant and excluded from that point forward within the ITT process.

A summary of the expected community benefits has been provided as follows:

Tenderers are required to present a community benefit proposal with their tender detailing how, if they should be successful in winning the contract, they will address the following Community Benefit themes:

- targeted recruitment and training for “disadvantaged”

persons unemployed for over 6 months;

- work placement opportunities for 14- 16-year olds;

- graduate placements.

If successful, the winning tenderer(s) will discuss the content of their Community Benefit proposal and agree a plan for the delivery of the agreed community benefits which will become a condition of the Contract
