Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

4B.4 - The Current Ratio will be applied. Tenderers are to provide their current assets and current liabilities in relation to their audited published accounts for the last two years and to divide the current assets by the current liabilities figure. If the resultant ratio is 1 or greater then no further analysis by Finance is required, however, verification of the figures provided may be necessary prior to award. Where a Tenderer does not meet this requirement, the tenderer will be asked to provide further details to confirm why they don't meet this requirement and the Council may undertake additional financial checks and a qualitative judgement shall be made as to the financial capacity of the tenderer. If a company does not have 2 years of audited published accounts an explanation should be given.

Tenderers are required to provide their annual turnover for their last two financial set of accounts.

4B.5.1B & 4B.5.2 The successful Tenderer will be required to provide evidence of appropriate insurance policies prior to commencement of the Framework. The values of the policies must be as follows:

Employer's Liability - GBP 10 million

Public Liability (including Product Liability where appropriate) – GBP 5 million

Minimum level(s) of standards possibly required
