Text

II.2.7 - Duration in Months 36 VI.3 - This Dynamic Purchasing System (DPS) is for the provision of digital solutions that support care planning and recording by adult social care providers. In addition to functioning as a DPS it will provide a list of assured suppliers for independent sector organisations to use. It is therefore anticipated that the total market opportunity for suppliers as a result of this DPS will be higher than the public sector procurement's that will be conducted through it. Note that the DPS arrangement shall be valid for a period of 3 years.
